

# TERRASIM

A BOHEMIA INTERACTIVE SIMULATIONS COMPANY

## TerraTools VBS Bundle

TerraSim is excited to announce the TerraTools VBS Bundle. This includes:

- One license of TerraTools Core
- VBS Export plug-in to enable VBS terrain production
- Batch Mode Manager plug-in to manage large, multimap terrain builds
- Distributed Processing plug-in to accelerate terrain generation
- One year of maintenance and support
- Additional discounts on other TerraSim products, plug-ins, and training

Email us at [sales@terrasim.com](mailto:sales@terrasim.com) for more details.
